LIVE THE LITURGY

Inspiration for the week

St. Josemaria Escriva tell us, "To live according to the Holy Spirit means to live by faith and hope and charity. To allow God to take possession of our lives and to change our hearts, to make us resemble him more and more." Today we celebrate the gift of the Holy Spirit given freely by God to us. The Holy Spirit is the very breath of God and the true source of our power and strength. When we accept that God is the beginning and the end of all things, we open ourselves to receiving this powerful presence. The Holy Spirit alone is the one who teaches us how to pray, who stirs us to lift our eyes to heaven in search of our Creator and opens them to recognize the wonderful gifts of faith, hope, and love God gives us. The Holy Spirit is the one who teaches us how to understand ourselves, God, others, and the world. When we allow God's Own breath to truly take possession of us, we realize that we are meant to become like God and know Him as He really is. This ultimate helper lifts our eyes from what is below to what is above and empowers us to live life with joy and keener vision!

SAINT OF THE WEEK

Born to nobility, St. Norbert of Xanten, was ordained as a subdeacon and served in the court of Henry V, Emperor of Germany, however, at court it was easy to be distracted by wealth, power and luxury and he lived a worldly and corrupt life there. By the grace of God while traveling in a storm he was nearly struck by lightning and almost killed. This experience changed St. Norbert and he became penitent, left his court post, and after a period of discernment in a monastery, felt called to be a priest.

Norbert became an itinerant preacher, preaching against worldly attitudes but at the Pope's request finally settled in northern France and founded the Norbertine order established according to the rule of St. Augustine. The order grew rapidly and soon founded women's branch. Norbert traveled and preached across Germany where he also founded a lay branch of the Norbertines. In Belgium he preached against heresies which denied the Blessed Sacrament.

Eventually he was made Archbishop of Magdeburg, Germany, and later he traveled to Rome in support of Pope Innocent II, against the antipope. Afterward he returned to Germany to court of Emperor Lothar as advisor, at end of life, in failing health, St. Norbert was carried back to Magdeburg where he died.
